

MODEL CL-65

FOR UP TO 65" TV

- Lift Tilts 95° Downwards
- TV Maximum Screen Size: 65"
- TV Maximum Height: 37.5"
- TV Maximum Width: 61.5"
- TV Maximum Depth: 3.5"
- Maximum Weight: 100 lbs.

Model CL-65 is the fastest, quietest and most reliable hinged flip-down solution on the market. In just 16 seconds you can reveal up to a 65" television from the ceiling, providing an impressive viewing experience in any room. The mechanism features 95° of downward tilt and only requires 6-1/8" of vertical space, creating an incredibly capable lift that is also efficient to install.

- Near Silent Operation
- Easy to Install
- Ships Fully Assembled

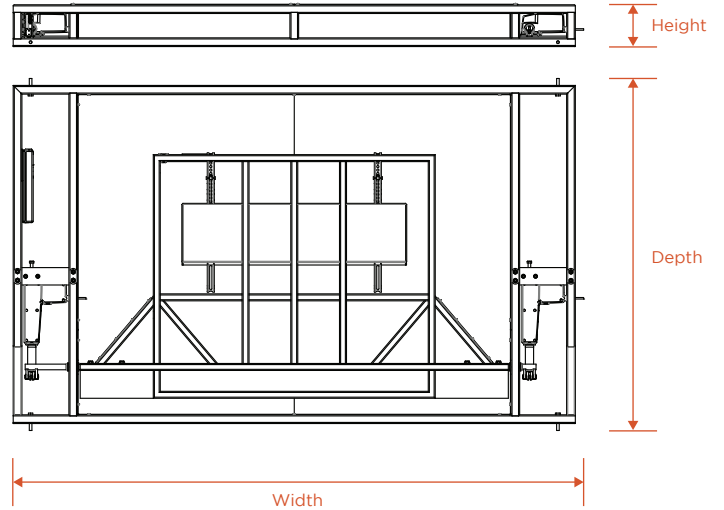

All Nexus products are shipped in custom-made protective packaging, and they include everything you need to mount and operate them. The products are designed for easy assembly and simple instructions with photos are included.

- Allen wrenches for screen locks and adjustability system
- Installation instructions with photos

CONTROL OPTIONS

Your choice of RF remote or Control System Integration Kit (CSI Kit*). Wired button pad included with both.

*CSI Kit includes IR remote and contact closure interface

INSTALLATION TIPS

- Tip #1** Calculate the weight of the ceiling panel that will attach to the lift before installation so you know you are within the weight limit
- Tip #2** Bevel the rear edge of the ceiling panel at 45° to achieve a 1/8" reveal
- Tip #3** Use the adjustment screws to fine tune the ceiling panel so it is flush with the surrounding ceiling
